Getting to Enchanted Hills

Enchanted Hills Retreat

3568 Mt Veeder Road, Napa, CA 94558

Driving directions

From the Bay Area, take Highway 29 north through Napa to Redwood Road. Follow Redwood Road west; it becomes Mt Veeder Road as it climbs into the hills. The retreat entrance is on the left after several miles of winding road — watch for the marked driveway. Please plan for the last stretch to be slow, narrow, and beautiful.

Approximate drive time: 1 hr 15 min from San Francisco · 1 hr 30 min from Oakland · 2 hr from San Jose. Cell reception weakens on the final approach — please save these directions and phone numbers before you leave home.

Arrival & check-in

Check-in at the welcome center opens at **9:00 am on Saturday, September 19**. Please plan to arrive between 9:00 and 10:00 am so we can begin together with the meet & greet at 10:00 am. Parking is available on the property.

Room check-in opens at 4:00 pm — you're welcome to leave luggage at the welcome center in the morning and settle into your room later in the afternoon.

Carpooling

If you would like to share a ride, reply to the retreat email and we will connect you with others coming from your area.

- Pool towel — *only if you plan to use the pool.* Bath towels and bed linens are provided in your room.

- Warm layers — Napa hills can be cool in the mornings and evenings

Guidelines for our time together

- **Phones on silent.** Please keep phones tucked away during sessions. You are welcome to step outside if you need to take a call.
- **Photos between participants.** Please refrain from photographing other participants without their permission. The retreat is a private container.
- **Photos taken by our team.** Photographs and short video clips may be taken during the retreat by Sattva Path Collective and used on our website (sattvathcollective.com) and social media. If you would prefer not to appear in any images, please let us know at check-in and we will make sure you are not included.
- **Silence between evening kirtan and morning session.** A soft period of quiet after 9:00 pm helps everyone rest well.
- **Dietary needs.** Vegetarian meals are provided. If you shared a dietary note at registration, we have it on file.
- **Movement is optional.** Every practice is offered as an invitation. Rest is also a practice.
- **Kindness first.** With ourselves, with each other, with whatever arises.

A closing thought

You do not have to leave your life behind to become spiritual. You can learn to bring stillness, awareness, and acceptance into the life you are already living.
